

FOUNDATION STONES, INC.

QUALITY OF LIFE

Is used to evaluate the general well-being of individuals or societies which is primarily based on wealth and employment, physical and mental health, education, recreation and leisure time, and social belonging.

“Quality is not an act, it is a habit.”

Aristotle

TRANSITIONAL LIVING SOLUTIONS

INDEPENDENT LIVING SKILLS SERVICES

a service provided to individuals (youth 14 and older) transitioning to independent living due to family dissolution or out of home placement. Services provided include daily and independent living skills, self-care, community resources, social development, money management, transportation and work and study skills.

SERVICES MAY BE RIGHT FOR CLIENTS WHO

are in need of job readiness training to secure employment. May use workforce development, technical or community college, skills certification programs, etc.

require financial management training for daily living. May visit banks, credit or money workshops, etc.

have problems with life decisions and responsibilities. May use group training, self improvement classes, leadership development, etc.

show lack of problem solving skills to such a degree that health and safety are jeopardized. May partner with community heroes such as officers, firefighters, etc.

require help in basic living skills, such as securing and maintaining housing and transportation. May visit apartment homes, shelters, etc.
